Alexis and Enrique,

Attached are comments we submitted through [Regulations.gov](https://www.regulations.gov) on the proposed listing of the Anaconda Site on the NPL. As we've shared with your staff and with BLM, we have reached agreement with ARC on a framework for deferral of NPL listing. We would ask that EPA begin negotiation of a deferral agreement with us as soon as possible. We know there are issues between ARC and EPA that will need to be negotiated and resolved as well. Thanks.
